Company presentation

Dear Customer

***P.U.H. Export-Import Adam Lipiński** is modern and dynamically developing transport-speditition company, active on market since 1987. We yearn for offer you our service strongly connected with automotive transport.*

The foundation of our company's activity is organising transport-speditition processes on domestic as well as on foreign market. We provide transport of loose and packaged goods using vehicles such as: kipper, walking floor, silo, tanker, tarpaulin, refrigerator. We possess more than 200 heavy lorries. Moreover, we cooperate with outer carriers as well.

Our full and extensive offer, innovative solutions, ability to face up to the newest logistic systems allows us to service not only the biggest companies from agricultural, chemical, metallurgical or coal trade but also from heavy industry and renewable energy resources' industry.

Our dynamic team of experienced and professional freight forwarders ensures each single client a complex logistic service on the highest level.
